In re Application of

Victor A. Rivas et al.

Serial No. 09/396,888

Filed: September 16, 1999

Art Unit: 2644

Examiner: Grier, L.

For: PULSE RATE, PRESSURE AND HEART CONDITION MONITORING GLASSES

**RESPONSE**

To the Director of the Patent and Trademark Office

Sir:

In response to the office action of November 13, 2002:

Kindly reconsider and allow all claims.

**REMARKS**

The Applicant appreciates the Examiner's indicated allowance of claims 11-21 and allowability of claims 5-7, 10 and 23-29.

Kindly reconsider and withdraw the § 103 rejection of claims 5-7, 10 and 23-29.

The Examiner's counsel and holding in the Office Action dated November 13, 2002 has been taken into consideration.

This amendment addresses all formal matters raised by the Examiner.

No new matter has been added.
